

By and large it's been a cracking summer for biking and I'm glad that I've been able to take advantage of it. I reckon the high point for me was a run down to the All Arms Veterans Rally in Bradford-on-Avon in July, where I couldn't have asked for better weather, countryside or company. A couple of the MAG rallies ran it close though! The only fly in the ointment have been the roads – I've never known Britain's motorways to be in a worse state. A run down to Caerphilly last month took seven hours, and for half of it I seemed to be white-lining through stationary cars. It doesn't make for a very relaxed ride either when they start getting out for a walk. Thank God for Vance and Hines – perhaps loud pipes do save lives after all!

### Last Month – Lee Rigby Memorial Ride – Saturday 23<sup>rd</sup> August

NW MAG's Protest Ride against the dreaded "armadillos" was postponed so as not to clash with this event. Many MAG members had let us know that they wanted to attend the Lee Rigby ride so our protest run will now take place in October (more below). The turn-out was impressive, everyone chipping in a fiver at the end towards the Combat Stress charity for sufferers of PTSD. All in all, it was held to be a "good call" on the part of NW MAG not to try to compete with such a worthwhile event.

### Looking ahead – MAG NW Demo Ride – Saturday 25<sup>th</sup> October

There will be a North-West demo ride on Saturday 25<sup>th</sup> October against the imposition of the dangerous "armadillos" in Salford and the crazy new roundabout in Irlam. As stated last month, the council are trialling these mad-cap ideas while the rest of the country watches. If they are seen to be accepted here, then we could soon have to deal with them nationally. So, we're very much on the front line in this one – let's make our united voice heard and stop it now!

The ride will meet up at Henry Boddington, Bolton Rd, Pendlebury from 11am, leaving at 12 noon prompt. We'll ride past the Town Hall, on to Irlam o' th' Heights roundabout and back, taking in Salford Quays. Poster and directions below. Let's make it a good turn-out!

*If we don't protest now, it definitely won't "turn out nice again"!*

## Hercules Run – Sunday 28<sup>th</sup> September

The ever popular Hercules Run, this year will be heading out from Preesall Charity School, Over-Wyre at 9am prompt, 28<sup>th</sup> September. The ever enthusiastic bunch will be heading for Crossland Moor Airfield which is owned by former professional motorcycle racer and now commentator, James (Jamie) Whitham. Jamie will be there to meet and greet, answer questions, sign autographs, and make the teas (not too sure about the last bit). The run will be raising money for Jamie's favourite cancer charity. NW MAG have once again been asked to organise the road marshalling of this event so if you want a challenge, would like to help raise money for a very worthy cause, and can get out of bed early on a Sunday morning, please contact the NW Rep, Tony Cox on 07836-519391. If you would like to just take part in the event, entry forms can be downloaded at the NW MAG web-site [www.north-west-region.mag-uk.org](http://www.north-west-region.mag-uk.org)
